Presenter Information-Teresa Murray-AISH Administrator-Calgary Region

- 2 undergraduate degrees -BA Specialist and a BSW
- Employed 13 years for Alberta Human Resources and Employment
- For the last 5 years, have worked in the AISH program. The first 4 years was in Intake and Appeals. I moved into the AISH Administrator role in September 2002.
- The primary focus of the role is to determine medical eligibility for AISH benefits. Also-policy consultation for AISH and other AHRE staff and presentations to community agencies.
- There are 2 AISH Administrators in the Calgary region, however since mid-July there has only been one. Within the next month, another Administrator is to be hired.
